

.com Domain Names

Quicksilver can now register international domain names. This includes .com .net .org .biz and .info.

International domain names are great when your website or business has an international audience, or you're looking for something a little different from a .NZ domain name.

International domains are priced at US\$20 (payment can be accepted by credit card only), and with our great value for money Argon package, which includes a dialup or Jetstream connection, every small business can now afford to do business professionally online.

To register a new international domain name, visit www.quicksilver.co.nz/products/webhosting.php

Register a new domain name & win

Register a new domain name with Quicksilver before 21st May*, and go into the draw to win a subscription to either Her Business magazine, or Espy - 'The Entrepreneur's Bible'.

.NZ domains are \$49.50 per year, and .com domains are US\$20 per year.

To view our hosting packages, and to register a domain name, visit www.quicksilver.co.nz/products/webhosting.php

*Prize draw applies to new accounts only.

Resell Quicksilver & earn income for your business

If you run your own business, Quicksilver's reseller program could generate an attractive income for you & your business, earning a percentage of your customers' spend every month, for as long as they are with us. Quicksilver provides an online reseller area for you to sign your customers up in real time, co-branded with your logo. Current Quicksilver resellers include Computer Retailers, Language Schools, & Web Designers.

Is your Business suitable?

- You are a registered business in NZ
- The business has been established for 12 months or more
- Your customer base/Target Market is suitable for selling internet or tolls services to
- You believe you could potentially sign up at least 5 or more new customers per month
- You are able to provide excellent service to new customers

Earn money for your Club, School, or Charity

If your Club, School, or Charity organisation would like to easily earn additional income, then Quicksilver's 'Good Causes' scheme could be right for you.

You simply join our 'Good Causes' scheme, and promote it to your members, friends and family. Members can nominate your Good Cause when they sign up for Quicksilver services, and you will continue to earn a percentage of their spend, every month, for as long as they remain a customer with us.

It's an easy way to build ongoing monthly income for your organisation, with minimal effort.

If you're interested, please contact Trevor Isted on tisted@quicksilver.co.nz or (09) 916 0300, and tell us a bit about your organisation.

Internet Jargon Buster!

We know that the world of internet and all the jargon that goes with it can often be confusing, so here's some guidelines to help you understand some of the technologies that Quicksilver provides:

DOMAIN NAME

A domain name is your unique address on the internet, and gives you your own personalised website address & email addresses eg. mydomain.co.nz

JETSTREAM (ADSL)

ADSL is a technology that allows you to make use of an unused frequency on your copper phoneline to send and receive internet data faster. Jetstream is the brandname for Telecom's ADSL product.

Jetstream comes in 3 'flavours'; Jetstart at approx. 3 times faster than dialup internet, Jetstream Surf 256k, at approx. 6 times faster, and Jetstream Fullspeed, at up to 50 times faster.

MAIL SERVER

A computer which takes manages and distributes your email. Usually used by businesses. May have virus, spam & content filtering in place.

SLIPSTREAM

Quicksilver's service which speeds up dialup internet connections, by up to 3 times. Slipstream is a small program that runs on your computer, and uses compression technologies to reduce the size of the data going out and coming in, making it up to 3 times faster.

Save up to 61% or more on toll calls - and you could win a \$20 credit

Did you know that Quicksilver's Direct Dial Tolls customers already save up to 61% or more on their tolls bill, 24 hours a day, 7 days a week, 52 weeks of the year?

- Permanent Offpeak Rates, All Day, Every Day
- No need to change your phone number
- No joining fee, or minimum monthly fee - just pay for the calls you make
- Discounts on 3 Favourite Countries
- Access to discounted Quicksilver Internet services

Sign up for Quicksilver's Direct Dial tolls before 21st May*, and you could win a \$20 credit on your new toll account.

*Prize draw applies to new accounts only.

Customer Profile

www.pianoservices.co.nz

At Piano Services, we are the experts in assisting with acoustic pianos, from helping with the purchase or sale of a piano right through tuning and repairs, parts and materials, polishing, moving to complete rebuilding and Concert tuning work - we know we can help you. We been acoustic piano experts since 1947.

Our services are available
ANYWHERE IN NEW ZEALAND.

PIANO SERVICES are the unseen hero of the Concert Stage. Tuner to the artiste, the ability behind the scene, the forgotten performer of every performance.

Mastery, skill and workmanship in motion, working for the quality piano owner at a reasonable fee.

We stock a full range of piano parts and materials, these are available for sale.

We recommend that a piano be tuned

at least once each year. It is more preferable to have this done every six months especially if you have children taking lessons.

For your peace of mind always use a registered member of the Piano Tuners and Technician Guild when having any work done on your piano.
