

### Top 10 Calling Destinations

If there's one thing we know about our 054 customers, it's that they like to talk, and they love to save.

Our 054 customers made over 20,000 calls in the last month. Because the 054 calling rates are offpeak all day, everyday, and you pay the same low rate per minute, no matter how long you talk, our customers can talk, and talk, without watching the clock!

The top 10 calling destinations:

1. NZ
2. USA
3. India
4. South Korea
5. UK
6. Australia
7. Germany
8. Barbados
9. Western Samoa
10. China

(based on number of calls between 24/07/05 and 24/08/05)

To find out how you could be talking more and saving on National and International calls with 054, see the website at [www.054.co.nz](http://www.054.co.nz)

### Free Broadband Install & \$50 off any modem

Upgrade your home connection to one of our home Quickfire Broadband plans between 19th August and 19th September, and you could receive a free installation, worth \$99, and \$50 off any Quicksilver Broadband modem.

Quickfire Home Broadband plans start from just \$29.95 per month for a basic 256k connection, or a 2 Megabit connection, giving you up to 50 times faster downloads from just \$39.95 with Direct Dial Tolls.

Quickfire Home Broadband doesn't just give you faster downloads, it also frees up your phonenumber by allowing you to talk on the phone and use the internet at the same time - no more missed phonecalls!

Bundled with Quicksilver's Direct Dial tolls, Quickfire Home

Broadband offers you great value for money on high-speed internet and national and international toll calls.

To take advantage of our free installation offer, simply sign up for any home broadband plan online at [www.quicksilver.co.nz/broadband](http://www.quicksilver.co.nz/broadband) between 19th August and 19th September 2005.

Free install offer applies to applications for new home connection to Quickfire Broadband between August 19th and September 19th 2005. Applies to new connections only, which have not had an ADSL connection on the line in the 30 days prior to application. 12 month minimum term & \$100 early disconnection fee applies. Free installation, worth \$99, applies to 'self-install' option only. Where additional wiring is required, a \$149 wiring charge may apply.

The offer also includes \$50 off the price of any Broadband modem from Quicksilver. Modem fees must be paid in full before despatch.

### 12 months unlimited dialup for only \$198 PLUS FREE SLIPSTREAM!

If you prepay your Neon dialup account for 12 months, not only do you get the special discounted rate of \$198 for whole year of dialup internet, but you'll now also get it up to 8 times faster FREE.

That's right. When you prepay your Neon account for 12 months at the rate of \$198 (that works out at just \$16.50 per month), we'll throw in a FREE subscription to our Slipstream service, giving you up to 8 times faster web browsing and email on your Quicksilver dialup connection, at no extra cost.

- \$198 for 12 months of unlimited dialup internet
- Now up to 8 times faster with **free Slipstream** included when you prepay for 12 months
- Total saving: **\$137.40**

Slipstream dialup accelerator speeds up your web browsing and email, up to 8 times faster than normal dialup. It requires NO special equipment, and is available nationwide. Setting up Slipstream takes just 5 minutes.

To upgrade your existing Neon account to a 12 month prepay account with free Slipstream, call us tollfree on 0508 774 583.

### Turn everyday email into smart marketing from \$495 per year

New Q-biz Mailbrand is a powerful real-time email branding solution that allows you to control the look of every single email sent from your organisation, branding it with your logo, company colours and standardised signature.

According a recent survey\*, more than 45% of daily business communication in New Zealand is now via email.

You wouldn't send out a letter that wasn't printed on company letterhead, so why

send out a business email that looks less than professional?

With pricing from just \$495 per year (plus setup costs), it's easy to see the value in promoting your business hundreds or thousands of times per year with Mailbrand.

\* Daily email usage in New Zealand's businesses in 2003 - *Calcium, The DMA and MessageMedia, October 2003*

#### KEY BENEFITS OF MAILBRAND

- Automatically brand every email with your company's logo & standardised signature
- Portray a professional image
- Use every business email as a branding & marketing opportunity
- Make your emails consistent with your other business stationery & website
- No change to the way staff send email, no software to install
- Add a disclaimer to every email automatically
- Generate leads & hits to your website
- Easy one-time setup
- Extremely affordable for small businesses

# Customer Profile

www.chocolatewebb.co.nz

Chocolate Webb has been creating special occasion cakes since November 2004 from their licensed kitchen, specialising in chocolate cakes.

Cakes are available to suit all occasions from a range of original recipes. Each cake is custom made to order, where they try to individualize and personalise your cake.

At Chocolate Webb, they pride themselves in all things chocolate. Chocolate can be used to mould figures, flowers and cover cakes to add to your chocolate experience.

Children prefer the sweetness of fondant icing, while adults might enjoy the delicate taste of pure chocolate.

Ask about the specialist truffles, they can add the finishing touch to a special gift or treat

You can see a couple of samples of Chocolate Webb's cakes on the right. For more examples, see their website (below).

## Contact Chocolate Webb

## CHOCOLATE BOX

An extra bonus for chocolate lovers. Lid made from solid chocolate, cake topped with handmade chocolates. Extra charges for specialty chocolates of your choice. Chocolate cake covered and filled with chocolate ganache' and wrapped in fondant or chocolate.

## DOUBLE TIER CHOCOLATE CAKE

Double Tier Chocolate Cake, covered and filled with chocolate ganache'. Roses and leaves are individually made from dark, milk and white chocolate leather.

## Business Watch

### Website Hosting from just \$10

Quicksilver's Hosting services offer value for money, and a reliable hosting service.

Prices start from as little as \$10 per month for domain & website hosting, and if you have an existing internet connection with us, bundle hosting with it to save.

In this day and age, all businesses should now have a domain name and website. It's become accepted as part and parcel of projecting a professional image to customers and clients, just as your business cards and letterhead do.

A NZ domain name (eg. yourbusiness.co.nz) costs just \$49.50 per year to own, and if you have a broadband connection with us, it

costs just \$10 to add standard hosting, which includes 15MB of webhosting space for your website, and up to 10 mailboxes with unlimited email aliases.

The Q-biz Website Builder allows you to build your own website from professionally designed templates, and make your own updates to your website from any computer.

If you have a larger, more complex website, we also have Premium PHP Hosting available with MySQL database, and Windows NT Hosting with ASP scripting support as well as Frontpage Extensions.

For those who have a dedicated server, our telehousing service gives

you a secure, reliable place to house your server.

- NZ Domain registration just \$49.50 per year
- Standard Hosting from as little as \$10 a month
- Premium PHP or Windows NT (ASP) Hosting also available
- Q-biz Website Builder setup from \$99

Visit [www.quicksilver.co.nz/webhosting](http://www.quicksilver.co.nz/webhosting) for more information. If you're unsure of your needs, email our expert on [hostmaster@quicksilver.co.nz](mailto:hostmaster@quicksilver.co.nz)
