

Welcome to the New Year of 2007. We hope you had a restful break over the holidays. This year is also the Chinese Year of the Pig, associated with fertility and virility. To bear children in the Year of the Pig is considered very fortunate!

We look forward to entertaining and informing you for another year through our monthly newsletters, as well as finding innovative ways to simplify broadband and bring you great value.

Woosh Broadband in a Box Winner

Congratulations to Mr & Mrs Copland of Gore, who were the winners of our Woosh Broadband in a Box competition for December!

For more information on how you can get 6 months of prepaid broadband, and the modem or router you need to connect to broadband, with no contracts and no ongoing payments, see www.woosh.com/box

No More Excess Usage Charges on Wireless Broadband!

Woosh have been listening to feedback, and as a result we have removed the excess usage charges on all our Woosh Wireless Broadband plans, giving our wireless customers more bill security.

Sick of phone line price increases? Cut the Telecom land line and get Woosh Phone for just \$20 a month!

The Woosh Phone does almost everything your standard Telecom line does, but at less cost, including free voicemail, free local calls (even for businesses), 10c/minute to nationwide NZ land lines AND calls to 40 countries for just 10c/minute!

You can even keep your Telecom number, and we'll do everything for you. Woosh Phone is available for just \$20 per month with wireless broadband plans, within wireless coverage areas.

To find out more about getting Woosh Wireless Phone & Broadband, call **0800 4 WOOSH** (0800 49 66 74) **and press 1 for sales.**

New Wireless Broadband Cell Sites

As of December, you can now access your Woosh connection anywhere at Auckland Airport. This makes it easier for you to stay in touch with family, friends or work while travelling. Don't forget – if you are passing through Wellington airport, you can also use your Woosh Wireless Broadband connection there too!
